EVENT PLANNING & FACILITIES GUIDE

Jor your Wedding Day, let us help you create a reception that captures your personal style. Our professional staff will guide you in planning an elegant luncheon, an hour of service reception in a spectacular five-course dinner. Host your reception in the Champagne Room, which overlooks a lake and English garden. Or choose the newly renovated Grand Ballroom, which comfortably accommodates up to 600 guests. Ample free parking and special room rates for your guests make the Hilton an attractive choice for your wedding.

Catering services are available for coordinating arrangements such as floral decorations, music and photography. We'll orchestrate the details, so you can look forward to the occasion. And since the cake is cut and the first dance is danced, you can relax in your own suite – compliments of the Hilton.
